Petition Under 37 CFR 1.137(a) Unavoidable Delay
Response

Honorable Commissioner of
Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

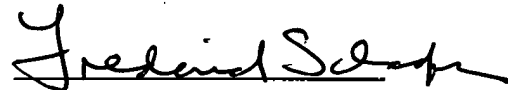

This is in response to dismissal of my petition for unavoidable delay dated August 12, 2003.

1. I, Frederick Schaefer, am a pro se applicant and do not have a docketing system. This seems standard for a pro se applicant.

2. I, Frederick Schaefer, attest that I searched my file and have no record of receiving the Office Action.

It seems to me that I meet the requirements stated in your Decision on Petition of August 12, 2003. I respectfully request that the petition be granted and the ruling of abandonment be withdrawn.

Respectfully submitted,
